

*Dr. Chang Su*

### *INYI New Member*

**Dr. Chang Su** received her MA in Educational Psychology in Northern East Normal University at 1997 in China. She received her PhD in Social and Personality Psychology at York University in 2010. Dr. Su has over ten years of teaching experience in psychology area, she taught different psychological courses in both China and Canada. She has taught undergraduate level courses at Ryerson University, York University and University of Northern British Columbia. She also taught Introduction to Psychology, Developmental Psychology and Abnormal Psychology in China. She has been working with Dr. Gordon Flett on cross cultural comparisons of the relationship between perfectionism, perfectionistic self-presentation and mental health on undergraduate students. They co-authored a series of studies on perfectionism and mental health on Chinese primary school students, high school students and junior high school students in mainland China. She is currently a Lillian Wright Post Doctoral Fellow with Dr. Nazilla Khanlou.
